

## Privacy Policy for Moonlio

Last updated: 02/18/2026

Moonlio respects your privacy and is committed to protecting it.

This Privacy Policy explains how information is collected, used, and safeguarded when you use the Moonlio mobile application.

Moonlio is an AI-powered bedtime story generator that uses AI technology to create personalized stories.

### 1. Information We Collect

Moonlio may collect the following types of information:

- Names or characters entered by the user for story generation
- Story preferences (themes, tones, settings)
- App usage data (such as feature interactions)
- Device information (such as operating system and app version)

We do not collect personally identifiable information such as email addresses or phone numbers unless explicitly provided by the user.

### 2. How We Use Information

Information collected is used solely to:

- Generate personalized AI bedtime stories
- Improve app performance and user experience
- Maintain app functionality and security
- Monitor and prevent misuse of the service

### 3. AI Processing

To generate stories, user inputs (such as names, themes, and prompts) may be securely processed by AI services.

We do not sell or share your inputs for advertising or marketing purposes.

#### 4. Data Storage and Security

We implement reasonable technical and administrative security measures to protect your data.

While we strive to use commercially acceptable methods to safeguard information, no method of transmission over the internet or electronic storage is 100% secure.

#### 5. Data Sharing

Moonlio does not sell, trade, or rent user data.

Data may be processed by trusted third-party services (such as AI processing providers or analytics services) strictly for app functionality and improvement.

#### 6. Children's Privacy

Moonlio is designed for family use. However, we do not knowingly collect personally identifiable information from children under the age of 13.

If we become aware that such information has been collected without parental consent, we will take steps to delete it promptly.

#### 7. User Rights

You may delete story history within the app at any time.

Deleting the app removes locally stored data on your device.

If you have questions about your data, you may contact us using the information below.

#### 8. Changes to This Policy

We may update this Privacy Policy from time to time.

Changes will be reflected within the app and by updating the “Last Updated” date above.
