

# Privacy Policy for Shia Academy

---

Last updated: 02/18/2026

Shia Academy (“we,” “our,” or “us”) respects your privacy and is committed to protecting the personal information of parents and children who use our mobile application (“App”). This Privacy Policy explains how we collect, use, and protect your information when you use Shia Academy.

Shia Academy is designed to make Islamic education engaging and enjoyable for children through lessons, stories, activities, and games.

## **1. Information We Collect**

We collect only the minimum information necessary to provide our educational services.

### Parent Information

When a parent creates an account, we collect:

- Email address
- Encrypted password

The password is stored using secure encryption and cannot be viewed by our team.

### Child Profile Information

Parents may create profiles for their children. For each child profile we collect:

- Child’s first name
- Educational progress within the app (completed lessons, activities, and achievements)

We do not collect the child’s last name, location, photos, or contact information.

## **2. How We Use the Information**

The information we collect is used only to operate and improve the app. Specifically, we use it to:

- Create and manage parent accounts
- Allow parents to log in securely
- Provide personalized educational experiences for children
- Track lesson progress and achievements
- Improve educational content and app functionality

We do not use the information for advertising or marketing purposes.

### **3. Children's Privacy**

Shia Academy is designed for children but accounts must be created by a parent or guardian.

We take children's privacy seriously and follow best practices to protect children's information.

- We collect only a child's name and learning progress
- We do not collect sensitive personal information from children
- We do not allow children to communicate publicly with other users
- We do not show third-party advertisements to children

Parents can manage or delete their child's information at any time.

### **4. Data Security**

We implement appropriate technical and organizational security measures to protect user information.

These include:

- Secure password encryption
- Secure data storage
- Restricted access to user data

While we take reasonable steps to protect your information, no system can guarantee absolute security.

## **5. Data Sharing**

We do not sell, rent, or share personal information with third parties.

Information may only be shared:

- If required by law
- To protect the safety and integrity of the application
- With secure service providers that help operate the app (such as cloud hosting), strictly for technical purposes

These providers are required to protect your data.

## **6. Data Retention**

We keep personal information only as long as necessary to provide the services of the app.

Parents may request deletion of their account and associated child data at any time.

## **7. Parent Rights and Controls**

Parents have the right to:

- Access their account information
- Update their information
- Delete their account and their child's data
- Request information about stored data

Requests can be made by contacting us using the email listed below.

## **8. Changes to This Privacy Policy**

We may update this Privacy Policy from time to time to reflect improvements to the app or legal requirements. If significant changes are made, we will notify users through the app when appropriate.

## **9. Contact Us**

If you have any questions about this Privacy Policy or how we handle data, please contact us: [rezaataiy@gmail.com](mailto:rezaataiy@gmail.com)
